NIFA® has arranged to hold its popular SutureStar Summit in Nashville and other locations in 2012. Learn to master the skills of the best assistants by enrolling in the nation's largest distance learning - accredited RNFA Program and obtain the training and documentation you absolutely need to practice in this expanded role.

As the only AORN Educational Corporate Partner, NIFA® presents the most comprehensive state-of-the-art, hands-on RNFA training available. This program meets all AORN standards for RNFA education and has been CCI accepted since January 1998. Bringing this class to Nashville can save you a lot on travel and expenses. Below is an overview of the Workshop. And remember, we guarantee that you will learn to master the skills of the nation's top RNFAs or we will retrain you free of charge. Enroll today!
